Mr. Kaushal Kumar Meena, student of Sardar Vallabhbhai National Institute of Technology, Surat, has successfully completed an internship in product design with *clytics*. He was employed from 24/6/2017 to 16/7/2017. He was tasked creating and integrating a billing management module. He implemented is using Angular2 Framework. In the process he had created reusable architecture which can be integrated to other applications.

We found him to be extremely consistent and methodical in his approach. He was able to participate in conceptual stage and further execute those concepts within the constraints.

We wish him the best in his future endeavours

For clytics.
